

COLLINGWOOD FOOTBALL

CLUB VISIT

On Monday, the 24th of July, 4 players from Collingwood Football Club came to our school to run a footy clinic. The players' names were Lachlan Keeffe, Taylor Adams, Josh Daicos and Brayden Sier. We went to the oval and we split into 2 groups and performed some football drills. After that, we went back to school and we asked them some questions. Finally, before they left, we got some autographs from them. It was great meeting them, playing footy, asking questions and getting autographs. We all had lots of fun.
