Principal's Report

LEADERSHIP DAY

This week our Grade 6's headed over to the hall to join with seven of our local small schools' Grade 6's to focus on leadership. In the morning they worked in groups (mixed from different schools) on different elements of being a leader: running a meeting, public speaking, running a project and teamwork.

This day is a great opportunity for our students to meet with others their age who they might be going onto high school with. They will be getting together for the second leadership day in October when they will hop on a bus and visit other schools and see what projects their Grade 6's have been working on.

There is a report written by our Grade 6 students in this newsletter.

DIVISION SWIMMING

On Monday we have five students competing in the Division Swimming Carnival at Northcote Pool. These students all came first or second in their events at the recent District Event.

Tysa Baldwin—12 year old backstroke

Maya Lewis—10 year old backstroke

Charlotte Smith—10 year old breaststroke

Angus Willins—12 year old butterfly

Coby Grech—12 year old butterfly

We wish all of our swimmers the best of luck and hope that they enjoy competing on the day.

PHONES AT SCHOOL

We have a school rule that students are under no circumstances to have mobile phones during school hours.

We understand that parents feel it is important to be able to communicate with their children after school, particularly regarding getting home safely.

If your child needs to have access to their phone outside of school hours, it is fine for them to bring the phone, however it must be handed into the office at the beginning of the day and picked up at the bell at the end of the day.

FUNDRAISING

One of the items for discussion at our recent School Council meeting was fundraising. As mentioned in previous newsletters, fundraising is an important part of our budget.

Please check your child's bag for the Easter bun and chocolate egg fundraiser form.

Orders and money are due back by Friday, 22nd March. Orders will be available for collection from the staffroom on Wednesday 3rd April.

ASSEMBLY

We request that parents please observe the tradition of standing for the National Anthem at assemblies on Monday mornings.

We also ask that parents please refrain from sitting on the brick wall near where the children receive their awards.

SCHOOL UNIFORM

Please be aware that when wearing bike shorts, we ask that they are of a modest length. Often they will be worn underneath dresses which is a good idea.

We have recently taken delivery of school skorts for those of you who have been waiting. We are still waiting on the uniform with logos which take a little longer.

Please contact the office if you require winter uniforms so that we can order the required amount.

CURRICULUM DAY

Our first curriculum day is on **Tuesday the 12th March**. This will be a pupil free day.

SCHOOL PHOTOS

Our school photos are booked in for **Wednesday the 13th March**. Make sure you have those haircuts booked and maybe practise saying "cheese" a bit over the next few weeks.

CSEF - FINANCIAL ASSISTANCE

CSEF (Camps, Sport, Excursion Fund) is financial assistance available for parents who currently hold either a **Pension card or a Health Care card**. It is \$125 per student per year.

Please see Deb at the office for an **application form as soon as possible**.

If you received CSEF last year and you still have a current health care or pension card, there is no need to re-apply for 2019.

KINDER CAR PARK

We have been contacted by the Pre-School next door with a request that school parents please refrain from parking in their carpark. They are finding that Pre-School parents are unable to find a park in the morning and having to walk their young children across the road in the morning which is not ideal.

NITS / HEADLICE

The office has been informed of a few cases of head lice in the **lower and middle school**. It is that time of year, so please check your child's head weekly and treat them if necessary before re-turning them to school.
