Principal's Report

We have had very exciting news since our last newsletter. We are so happy to congratulate Russell, Desirée and Henry Smith on the birth of their beautiful new baby daughter/sister - Amélie.

Russell will be spending the next two weeks at home enjoying this very special time with his family.

We have been fortunate to welcome Merron Thomson back into the fold during Russell's absence. Merron is a very familiar teacher for our Grade 2's and will be working with them for the duration of Russell's leave.

HAVE YOU GOT YOUR BOOK WEEK COSTUME SORTED?

Dust off the costume box, hit the op shops, raid everyone's wardrobes—whatever you need to do—it's time to get a book week outfit organised. Our staff have been planning for our book week activity day which is being held on **Thursday the 25th August**. Our day will kick off with a chance to celebrate together and check out all the costumes as we parade around the basketball court.

We'll have a special guest appearance by our Panton Hill Pre-School friends who will also be dressing up as well.

Following our parade we will have book related activities in multi age groups and then we will finish off with a visit by our very own Ali Sharma, who is the author of two books 'Scarlett Brown'.

HOOPTIME

Our keen basketballers in Grades 5 and 6 are getting ready for the upcoming Hoop-time competition. We have even called in the big guns with our previous Principal, Ross Allison coming along on Wednesday to help train them at lunchtime. The competition day is **Friday the 26th August**.

PANTON HILL KINDER

We are so relieved to announce that a new provider has now been found to manage the Panton Hill Pre School. This has been the source of some anxiety since the current provider left.

We are looking forward to continuing our very strong partnership with our lovely little kinder.

STUDENT COUNSELLING

Unfortunately, our student counsellor Jess Brown has had to move on from our position. We thank her very much for providing support to some of our Panton Hill students and families and wish her well in her new endeavours.

CFA CUP

On Saturday the **23rd of July** a team of our keen footballers fronted up to the Panton Hill oval to play in the annual CFA Cup, held during half time of the seniors match. This match is to commemorate our firefighters lost in the Ash Wednesday bushfires and to recognise the great work that the CFA do to protect our community.

Traditionally the cup is a match between Panton Hill and St Andrews. This year our Panton Hill kids played against a combined team of St. Andrews, Strathewen and Kangaroo Ground. The match was played in great spirits, befitting the event with a close result with us finishing two points up. Well done to our PH team.

Thankyou to the parents for supporting this event, to the footy club organisers and to Mr Hurst for his rousing half time speech.

We are still waiting on a few students to return their footy tops, if you still have yours at home, please return it asap.

YR 7 TRANSITION

All Grade 6 parents should have now received notification of their child's secondary school placement—exciting times!

We need you to please return the acceptance slips to us so that we can continue the transition process.

PORTFOLIOS

Another 'please return' reminder. If you have not yet returned your child's portfolio which was shared in the three way conferences, could you please do so asap.

There is a parent feedback page in the portfolio which we would also love to see filled out. This is a great opportunity to put in words how proud you are of the work that your child has produced.

INDIGENOUS CHILDREN'S DAY

Yesterday was National Aboriginal and Torres Strait Islander Children's Day. Please see the flyer included in this newsletter for an event that is being offered on the weekend in recognition of this.

Just on that point, we have now got an Aboriginal flag and Torres Strait Island flag all ready to fly high. We just need to get the flag poles installed! This has been organised - we are waiting on our contractor.

PREMIERS READING CHALLENGE

The Premier's Reading Challenge is continuing with 41% of our students having completed the challenge—well done!

We are aiming for 100% completion, so don't forget to keep adding books once they have been read. Great weather for curling up with a book I think!

POLICIES

We are committed to continual improvement in our approach to child safety and wellbeing and welcome all feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices. We have worked through a number of new policies and procedures with the PHPS staff and School Council. We will be taking them to our next School Council meeting on the 29th August where we hope to finalise and endorse them. We will add policies and procedures to our website as we complete them. There will be a period of time where the policies are uploaded in draft form as we seek your feedback.

APPLES ARE BACK

On Monday we will have 10 bags of new season Gala apples delivered to the school. The apples are wax free and delicious so get in quick. **\$7 per bag**

2023 PREP ENROLMENTS

We are well into planning for 2023 and are currently working on our Prep enrolments. Please be sure to hand in your enrolment form as soon as possible to ensure your place in 2023. Enrolment forms can be collected from the office or emailed on request.

KINDER VISIT

On Wednesday 3rd August, the Grade 5 class all went over to the Panton Hill Kinder. We all had lots of fun getting to know each other and socialising with younger kids. Marjan (the kinder teacher) read us all the Pamela Allen book, Mr McGee Went to Sea.

Some of the kinder kids lay on a piece of paper and some Grade 5's traced around them with a texta. Ayesha, Jasper, Nash and Angus dug a massive hole in the sandpit that went up to their waists, and they tried to fit two kinder kids (Patrick and Gunner) in it.

Lauren, Isla and Florence had a great time playing with the pans and making pretend pasta. A group of Grade 5's were also reading books to the kinder kids.

The Grade 5's had an awesome time at the kinder and really want to do it again.

This week, during PE, the students were lucky enough to have Balance Gym from Research to give an introduction to gymnastics to the students from Prep to Grade Six. The students ventured over to the hall, where games were played and challenges were set. All the students had a great time safely learning how to do gymnastics.

Hello Everyone!

Next week at OSHC we will be looking at the season of Winter and what it means to us on the hill. We will be making igloos with marshmallows, making crystal snowflakes, lots of Winter themed art and of course, drinking hot chocolates to keep ourselves warm or even some lovely hot soup.

Even though it is really cold outside, we will still be running our outdoor games.

The following week, two of our older children have put in a request to "do" The Magic Faraway Tree, by Enid Blyton. I suggested building a Magic Faraway Tree for the OSHC room and they became very excited at the prospect of building a Magic Faraway Tree. This will be interesting~! 😊
